## **Common Questions**

### **When will my first payment be due?**

This occurs 30 days after money has been funded into your account.

### **Is there an annual fee or prepayment penalty?**

No.

### **Can I set up automatic payments to pay down my loan?**

Yes. It is required since your minimum monthly payment is automatically deducted from your American Savings Bank business checking account. For details, ask an ASB business specialist in your branch.

### **What is a returned payment fee?**

This fee is assessed if the payment deducted from your ASB business checking account does not clear due to insufficient funds.

### **How do I view the balance of my loan?**

You can view your balance in your monthly statement or by accessing your account via eBanking.

### **Where can I locate forms to enroll in eBanking?**

Forms can be found at [asbhawaii.com/business/eBanking-for-Business](https://asbhawaii.com/business/eBanking-for-Business)
