Common Questions

When will my first payment be due?

This occurs 30 days after you draw funds on your line. Payment is due on the 10th day of each month (or next business day).

Is there an annual fee?

Your Business PowerLine is subject to annual renewal; if your account is renewed, there is an annual fee. For fee details, ask an ASB business specialist at your branch.

Is there a prepayment penalty?

No. The balance can be paid off at any time.

Can I set up automatic payments to pay down my PowerLine?

Yes. It is required since your minimum monthly payment is automatically deducted from your American Savings Bank business checking account. For details, ask an ASB branch team member.

What is a returned payment fee?

This fee is assessed if the payment deducted from your ASB business checking account does not clear due to insufficient funds.

How do I view the balance of my PowerLine?

You can view your balance in your monthly statement or by accessing your account via eBanking.

Where can I locate forms to enroll in eBanking?
