Alan Fentriss has been one of Hawaii's top loan officers for more than 25 years. Alan's extensive lending experience and his background as a CPA (not in public practice) have been invaluable to the many individuals and families who achieved their dream of homeownership with his assistance. Alan has been a consistent top producer throughout his career, most recently as a producing loan manager with Hawaii's largest locally-owned mortgage banker.

Alan is dedicated to helping his clients find the right home financing for their needs, including conventional and government financing. He is especially proud to have helped many current and former members of our Armed Forces obtain financing through the VA home loan program.

A graduate of the University of Oklahoma, Alan earned a bachelor's degree in accountancy, and is a member of the Hawaii Society of Certified Public Accountants (HSCPA). He also enjoys tennis, traveling and spending time with his family. Alan is a resident of Kailua.
