Glenn Tarumoto joins American Savings Bank with more than 30 years of experience in the mortgage industry, having worked for both local and national lenders. He marks amongst his most memorable achievements the day he purchased his first condominium, and also recalls the anxieties that came with becoming a first time home buyer. Knowing that many of his customers experience those same worries when purchasing their first home, he always makes it a priority to carefully guide them through the financing process with professionalism and outstanding service.

Outside of work, Glenn gives back by volunteering for Habitat for Humanity projects, helping to build or renovate homes for families in need. He also enjoys skiing and traveling the world to experience different cultures. Glenn is a member of the Downtown Business Association and is a graduate of the University of Hawaii at Manoa, earning a bachelor of business administration degree in management and marketing. He is a resident of Ewa Beach.
