Stefan joins American Savings Bank with more than 5 years of mortgage financing experience, most recently with Hawaii's largest locally-owned mortgage banker. A native of New York, Stefan considers one of his biggest life accomplishments to be when he relocated to Hawaii to pursue his dream of opening a dance studio, leaving behind a successful career on Wall Street. Now with successful dual careers in both residential loans and dance, Stefan's clients clearly benefit from his dedication, hard work and fearlessness in tackling challenges head-on.

Outside of work, Stefan keeps himself busy teaching dance classes, and gives back by participating in community events at military bases and local schools, with the ultimate goal of "getting everyone up and dancing!" Stefan is a graduate of Cornell University, and also speaks Bulgarian. He is a resident of Aiea.
