

**Should I keep copies of receipts or any other records?**

Yes. In the event that you need to file a claim, copies of your Visa card receipt and the itemized store receipt are required to verify the claim.

## Filing a Purchase Security Claim

**What do I do if my purchase is stolen or damaged?**

Call the Benefit Administrator at **1-800-553-4820**, or call collect outside the U.S. at **303-967-1096 within sixty (60) days** of the theft or damage. The Benefit Administrator will ask you for some preliminary information about the incident and send you the appropriate claim form.

If your purchase is stolen or damaged, make sure to also file a police report within **forty-eight (48) hours of the occurrence**.

**Please Note:** If you do not notify the Benefit Administrator within sixty (60) days of the theft or damage, your claim may be denied.

**How do I file a claim?**

Complete, sign and return the claim form within ninety (90) days of the incident along with the following documents:

- ▶ Your Visa card receipt
- ▶ The itemized store receipt
- ▶ A police report (**filed within forty-eight (48) hours of the incident**) in the case of theft, fire, insurance claim, loss report, or other report sufficient to determine eligibility for benefits
- ▶ A copy of your primary insurance Declarations Page to confirm your deductible. “Declarations Page” means the document(s) in your insurance policy that lists names, coverages, limits, effective dates and deductibles when applicable.
- ▶ Documentation (if available) of any other settlement of the theft or damage
- ▶ Any other documentation deemed necessary to substantiate your claim

All claims must be fully substantiated as to the time, place, cause, and amount of damage or theft. In cases of damage, you will be asked to send, **at your expense**, the damaged item along with your claim in order to substantiate the claim, so make sure to keep the damaged purchase in your possession.

Gift recipients of eligible items may also handle the claim process if you are able to provide all the documents and items necessary to fully substantiate the claim. **Please Note:** Claim forms must be completed, signed, and returned with all the requested documentation within ninety (90) days from the date of theft or damage.

For faster filing, or to learn more about Purchase Security, visit [www.visa.com/eclaims](http://www.visa.com/eclaims)

**How does the reimbursement process work?**

If you have met the terms and conditions of the benefit, and depending on the nature and circumstances of the incident, the Benefit Administrator will resolve your claim in one of two ways:

- 1** A damaged item, whether wholly or in part, may be repaired, rebuilt, or replaced. A stolen item may be replaced. If the item is to be repaired, rebuilt, or replaced, typically you will be notified of the decision within fifteen (15) days after the required documentation of theft/damage has been submitted or is received.
- 2** You may be reimbursed for the eligible item, but not more than the original purchase price of the covered item as recorded on your eligible Visa card receipt, less handling and shipping charges, up to a maximum of five hundred dollars (\$500.00) per claim and fifty thousand dollars (\$50,000.00) per cardholder.\*

Under normal circumstances, reimbursement will take place within five (5) business days of receipt and approval of all required documents.

In either case, the Benefit Administrator’s payment, replacement, or repair made in good faith will fulfill the obligation under the benefit.

**Do I have to file with my insurance company?**

Yes, if you have insurance applicable to the damaged or stolen item (e.g., business owner’s, homeowner’s, renter’s, or automobile) or if you are covered by your employer’s insurance for such losses, you are required to file a claim with your own insurance company and to submit a copy of any claim settlement from your insurance company along with your claim form. In some cases, at the option of the Benefit Administrator, where the claim amount is within your personal insurance deductible, a copy of your personal Declarations Page may be sufficient.\*

**\*Please Note: Purchase Security provides coverage on an “excess” coverage basis. That means it does not duplicate, but pays in excess of any valid and collectible insurance or indemnity (including, but not limited to, homeowner’s, renter’s, automobile, or employer’s insurance policies).** After all insurance or indemnity has been exhausted, Purchase Security will cover the theft or damage up to the amount charged to your eligible Visa account and subject to the terms, exclusions, and limits of liability of the benefit. Purchase Security will also pay for the outstanding deductible portion of your insurance or indemnity for eligible claims. The maximum limit of liability is five hundred dollars (\$500.00) per claim occurrence and fifty thousand dollars (\$50,000.00) per cardholder. You will receive no more than the purchase price as recorded on the eligible Visa card receipt. Where a protected item is part of a pair or a set, you will receive no more than the value (as described herein) of the particular part or parts, stolen or damaged, regardless of any special value that the item may have as part of such a pair or set, nor more than the proportionate part of an aggregate purchase price of such pair or set. Purchase Security is not “contributing” insurance, and this “non-contribution” provision shall take precedence over “non-contribution” provisions found in insurance or indemnity descriptions, policies, or contracts.

**ADDITIONAL PROVISIONS FOR PURCHASE SECURITY**

This protection provides benefits only to you, the eligible Visa cardholder, and to whomever receives the eligible gifts you purchase entirely with your eligible Visa card.

You shall use due diligence and do all things reasonable to avoid or diminish any loss or damage to property protected by this benefit. This provision will not be unreasonably applied to avoid claims.

Each claimant agrees that representations regarding claims will be accurate and complete. Any and all relevant provisions shall be void in any case of fraud, intentional concealment, or misrepresentation of material fact.

Once you report an occurrence, a claim file will be opened and shall remain open for six (6) months from the date of the damage or theft. No payment will be made on a claim that is not completely substantiated in the manner required by the Benefit Administrator within six (6) months of the date of theft or damage.

After the Benefit Administrator has paid your claim, all your rights and remedies against any party in respect of this theft or damage will be transferred to the Benefit Administrator to the extent of the payment made to you. You must give the Benefit Administrator all assistance as may reasonably be required to secure all rights and remedies.

No legal action for a claim may be brought against the Provider until sixty (60) days after the Provider receives Proof of Loss. No legal action against the Provider may be brought more than two (2) years after the time for giving Proof of Loss. Further, no legal action may be brought against the Provider unless all the terms of this Guide to Benefit have been complied with fully.
